

Swiss HDU Warranty

Swiss warrants every HDU unit to be free from defects in workmanship and materials for a period of one year. This warranty includes all hardware, doors, and windows (excludes glass). Electrical warranty on HDU units is 1 year for brake lights and dome lights, and door switches under normal usage. Swiss does not extend an electrical warranty on Keyless Actuators.

Swiss will at it's option, repair or replace and unit to be found defective. Warranty will be handled through the Swiss dealer network. See your Swiss Dealer for details.
